

Even Vast "Misbecoming"

Afraid of seeing
Afraid of being blind
Afraid of believing
Afraid of being wise
There's no way to handle this
Afraid of losing
Afraid of succeeding
Afraid of feeling
Afraid of being dying
There's no way to handle this
Afraid of crying
Afraid of smilin'
Afraid of frozing
Afraid of burning
There's no way to handle this
I just want to be free
I just want to be free
But I feel misbecoming
But I feel misbecoming
So tell me how
How to fly away
Cos I just want to be me
