One Two Three

Hold it! Hold it fellows. I'm afraid you're just too darn loud. Next please. Can we have the next group please?

Everyday, You're always with me
In everything, You make me whole
In every way, You always bless me
Given me Your life, Your love
And Your life and Your love Lord, fills me up

Lord You give Your all unto me
What You give, it fills me up
Everyday, I live to praise You
'Cause You gave Your life, Your love
And Your life and Your love Lord, fills me up

You alone

(Chorus)
You alone are worthy, yeah
Lord, You are worthy

Lord, You are worthy
And everyday I live to praise You
In every way I want to know You more
I want to know You

(Whole song repeats)

You alone are worthy, yeah
Lord, You are worthy
Lord, You are worthy
Lord, You are worthy
Lord, You are worthy
And everyday I live to praise You
And every way I want to know You
And everyday I live to praise You
And every way I want to know You more

I guess you guys aren't ready for that yet. But your kids are gonna love it. (From "Back to the Future")
