And before Your throne we come
And we honour You, Lord
And before Your throne we humbly bow
And we exalt Your Name
With everything we have
With everything we have

Hear the sound of the chorus singing
You alone are God
With our hearts we will live this song
Everyday, may it never stop

And before Your throne we come
And we honour You, Lord
And before Your throne we humbly bow
And we exalt Your Name
With everything we have
With everything we have

Hear the sound of the chorus singing
You alone are God
With our hearts we will live this song
Everyday, may it never stop
(Repeat)

It never stop

And before Your throne we humbly bow down
Before Your throne we humbly bow down
Before Your throne we humbly bow down
Before Your throne we humbly bow
(Repeat)

Hear the sound of the chorus singing
You alone are God
With our hearts we will live this song
Everyday, may it never stop

Hear the sound of the chorus singing
You alone are God
With our hearts we will live this song
Everyday, may it never stop

Hear the sound of the chorus singing
And may, may it never stop
Hear the sound of the chorus singing
And may, may it never stop
May it never stop
