Evergleam and I know why God is good and Jesus loves  
me  
Heaven lives and I know where  
Sounds to me a not so easy chair  
Falling free and living down  
Stringing out and over happy  
Evergleam and I know why it isn't real and I'm not  
going to break  
Don't die, don't give in, no way no way  
Please don't leave me  
Evergleam and I know how pulling hair and breaking  
voices  
Giving in won't stop the noise  
Spinning wills don't give you choices  
Take away the spark inside, you take away the shining  
prize  
Evergleam and I know how it isn't real and I'm not  
going to break  
I'm not going to break  
Evergleam, everywhere, ever weird, everyone  
I'm not going away, I'm not going away  
I won't see you there  
I'm not going away, I'm not going to break  
No way
