When I walk with You Lord
I find my peace of mind
And when I walk with You Lord
I find my place in life
Everyday I will follow after You

And when I walk with You Lord
My life is filled with love
And when I walk with You Lord
Your love consumes my life

Everyday I will follow after You
Everyday I will follow after You
Everyday I will follow after You

(Chorus)
I will glorify You
I will testify Your Name
I will glorify You
I will testify Your Name
Your Name

When I walk with You Lord
I find my peace of mind
And when I walk with You Lord
I find my place in life

Everyday I will follow after You
Everyday I will follow after You
Everyday I will follow after You

(Chorus)

As the sun sets on the water
And I see You walking there
And Your steps lay out before me
I will rise to meet You there
(Repeat)

I will meet You there Lord

(Chorus)

As the sun sets on the water
And I see You walking there
And Your steps lay out before me
I will rise to meet You there
(Repeat)

We will meet You there Lord
