Here We Go Again
(Spoken Public Enemy Sample: Here We Go Again!)
You know I like to watch you sleep
No I don't want to touch you
You'll get mad at me
No I don't want to think
About the bad times
Anyone could have a bad year.

Now I don't want you to show me
I do not want you to know me
The way I used to be
All these good things we have
Would not mean a damn to me

And I don't want to hear those words
You feel you have to say
When you find out how I used to be
Back in the day

Yeah, you know
I like the way you slide
Yeah, yes I like it when
You do that slow glide
Please don't badtalk all those good times
Don't ask around cause baby
That you do not want to hear

I don't want you to make me
Do not need you to break me
Of all my childish ways
I'm still the same you know
Dumb, rock hard and good to go
I still hear them voices calling me
From back in the day

Oh baby can't you see
There ain't no place I'd rather be
Then watching dirty movies
In that happy room with you
Sitting on that mattress in the corner

Eating Chinese food
I hear that voice in my head
Say here we go again

Ooh now here we go again

I know you like the way I rock
Sometimes I just need to drown out
All that bad talk
Yeah, I could not care less
What your friends say
Someone's always talking shit
About the old days

You do not need to remind me
That I left it all behind
Things I used to do
I don't want that other life
Cause I am so in love with you
I can barely hear it calling me
From back in the day

Oh baby can't you see
There ain't no place I'd rather be
Then watching dirty movies
In that happy room with you
Sitting on that mattress in the corner
Eating Chinese food
I hear that voice in my head
Say here we go again

Yeah here we go again
Oh baby here we go again
Baby baby can't you see

Yes I know you got some doubts
I know you don't believe
I know you think I'm crazy
And I know you're just like me
When I hear that voice inside me
Makes me want to jump right in
Saying here we go
Here we go
Here we go
Here we go again

Let's go watch some dirty movies
Yes in that nasty little room
Sit on that mattress while
We eat that greasy Chinese food
I hear that voice in my head

Say here we go again

Ooh baby here we go again
