It's a beautiful day, Yeah And you look up in the air, just
to see the sky Just don't stare at the sun, you would
burn your eyes It's a beautiful day, Yeah Do not believe
in the lucky numbers Yeah to tell you the truth, I know
there is a good reason No, I do not believe in wishing
on a star For all your bad dreams. People love to tell
you that will break your heart You know all of it's true
People love to break your heart I do not believe in the
pretty sky I do not believe in the things I can not see
Yeah, to tell you the truth I know they want me to
believe they know what's best for me People love to
hurt you when you close your eyes You know it's true
People love to hit you when you close your eyes People
love to hurt you when you close your eyes It's a
beautiful day It's a beautiful day It's a beautiful day It's
a beautiful day It's a beautiful day Such a beautiful day
(Look at the skies now) (Look at the skies now) It's a
beautiful day (Look at the skies now) It's a beautiful day
(Look at the skies now) It's a beautiful day (Look at the
skies now) (Look at the skies now) It's a beautiful day
It's a beautiful day (Look at the skies now) (Look at the
skies now) It's a beautiful day You will never see it
coming You will never see it falling You will never see it
falling You will never see it coming
