Maybe I went too far this time I just go crazy when she
says no
Angel turns away pulls her dress back down slowly
washes her face
Takes the bus to her job downtown
She said: "I'm ok don't worry about me"
Now she thinks for herself: "Hey what happened to
me?"
I told him that I thought it was over told him that I
wanted to leave
He used to touch me so nice when we first met
I never dreamed he would hit me I never dreamed he
would hold me down
She said: "Don't worry about me I won't worry about
you"
"I don't want to be friends", she said, "I'm ok"
Just leave me alone, just leave me alone
She said: "Don't worry about me I won't worry about
you"
She said: "I'm ok don't worry about me"
I don't want to be friends
Just leave me alone, just leave me alone
Don't worry about me, don't worry about me
