Even though,
Sometimes this may not seem right
I don't care
Lets forget that for tonight

Well I'm hung up on your actions but I want you by my
side
And you know that it's killing me but once more tell me
why

Why am I wanting
Why am I needing
Why are you missing
Why are you leaving
Why am I crying
Why am I kissing the sky... goodnight

Realize the inevitable but then throw it out the door
Cause it's time for a change, it's time for something
more

More than....
