

## Ever Stays Red "Sick And Tired"

Visit "[Sick And Tired](#)" on MotoLyrics.com

I break every day  
Stressed out in every kind of way  
I am sick and tired of being sick and tired

All i need and crave  
Is a loud life with the power to fade  
I am living because i keep it all inside

Love don't work for me  
I want women who are out of my reach  
All i need for sure is a big love with the power to make  
more

I am living because i keep it all inside  
I know i'm close to the fall  
I know i'm dangerous  
I'm afraid i'm going down

I blame my family  
Their damage is living in me  
I am sick inside and tired of my life

All i need i swear is to go out  
With the power of a nightmare

I am living because i keep it all inside  
I know i'm close to the fall  
I know i'm dangerous  
I know i'm not going down alone
