We were fading
Like the bottom
Of a bad dream
We were heading south
Looking for a good time

Faces look so pretty
In the spotlight
All blown out
And bathed inside a
World of white

Sometimes I feel like I am
Holding it together
Sometimes I feel like
Everything is fine
Something I feel
Like I'm out of control

I feel like I am falling...

...like my life is on a slide
Slide!

It was sunny on the streets
Down there by the water

She was slightly out of reach
A rich man's only daughter

I think she slept with me
Just so she could piss off
Her father
I am elastic
I am easy with the damage
I am estatic
I am hungry for the climb

Sometimes I feel
Like I am falling apart...
I feel like I am falling...

...like my life is on a slide
Slide!

I know it's wrong but
I just can't seem to act my age
I know it's wrong but I just
Can't seem
To control my rage

My heart is racing and
I am losing my mind
Sometimes I feel like my life is
On a slide

Those faces look so scary
In the harsh light
All blown out
And bathed inside a world
Of white
We were shining
Like the good part of a
Bad time
We were laughing, happy
Just to be along for the ride

Sometimes I feel like I am
Really lucky
I have made it through
Bruised and scarred
And half alive

Sometimes I feel
Like I'm out of control

I feel like I am falling...

...like my life is on a slide
Slide!

Yes I know it's wrong but
I just can't seem to act my age
Yes I know it's wrong but I
Just can't seem to control my rage

My hear is racing and
I am losing my mind
Sometimes I feel like my life is
On a slide
