even though
sometimes this may not seem right
i dont care
lets forget that for tonight
well im hung up on your actions
but i want you by my side
and you know that its killin me
but once more tell me why
why an i wanting
why am i needing
why are you missing
why are you leaving
why am i crying
why am i kissing the sky...goodnight
realize the inevitable
but then throw it out the door
cause its time for a change its time for
something more
more than....
