I am all fucked up  
And I am ready to break  
No, I don't wanna be the guy  
Who is always on the outside  
I wanna find my own  
Good place

All fucked up  
And I don't know how  
How I ever got to where I feel  
Like I am dying on the inside  
I want to be happy  
But I don't know how?

I am all fucked up  
And it's always the same  
I always get so close  
Then I let it get away  
I got no one  
But myself to blame

I'm all fucked up  
And I don't know why?  
If the rest of my life  
Is going to be like this  
I think I would rather die  
I am all fucked up

Oh, am I all fucked up?  
I know I am all fucked up  
Am I all fucked up?  
Am I all fucked up?  
Am I all fucked up?  
Am I all fucked up?  
Am I all fucked up?  
Burn

I am all fucked up  
Yes, I am ready to break  
Just that I don't wanna be the guy  
Who is always on the outside  
I wanna find my own  
Good place

All fucked up  
And I don't know how  
How I ever got to where I feel  
Like I'm dying on the inside  
I want to be happy now

I am all fucked up  
And it is always the same  
I always get so close  
Then I let it get away  
I got no one  
But myself to blame

I am all fucked up  
And I don't know why  
If the rest of my life  
Is going to be like this  
Than I think I would rather die  
I am all fucked up
