See you roll your eyes
You know it makes me smile
Yes you are like the sun to me
All bright as liquid fire
I feel so powerless
Hold you up above the world
Yeah you are quite a lot of trouble
For such a pretty little girl
I know I'm never home
I'm always miles and miles away
Here I'm runnin' out of time
Say the things I need to say
I call you on the phone
You will not talk to me
Yeah you just don't understand
You are my everything
Anna, Anna
Tell me what you want
Tell me what you need
Anna, Anna
You are never alone...
I like to watch you play
When you don't know I'm there
I watch you in your sleep at night
Reach out and touch your hair
I wanna make this world
Be just how you want it to be
Yeah you just don't understand
You are everything to me
Chorus
