Look who just got back today
Them wild eyed boys that had been away
They haven't changed, that much to say
Yeah, even then I still think all them cats are great

They was askin' if you were around
How you was and where you could be found?
I told them you were livin' downtown
Drivin' all those old men crazy

The boys are back in town
Oh I said, "Boys are back in town"
The boys are back in town

There was this chick who used to dance a lot
Every night she'd be on the floor shakin' what she got
I tell you she was cool, she was red hot
I mean she was steamin' hot

Remember that time over Johnny's place
Well, this chick got up and she slapped Johnny's face
Yeah, we just fell about the place
If that chick don't want to know, forget her

The boys are back in town
Yeah I said, "Boys are back in town"
The boys are back in town
The boys are back in town
The boys are back in town

Spread the word around
Yes, she's back in town
Yes, spread the word around
Yes, she's back in town

Friday night they'll be dressed to kill
Down at Dino's bar and grill
The drinks will flow and blood will spill
And if the boys wanna fight, you'd better let 'em

That jukebox in the corner blastin' out my favorite song
The nights are gettin' warmer, it won't be long

It won't be long till summer comes
Now that the boys are here again

The boys are back in town
The boys are back in town
The boys are back in town

The boys are back in town
The boys are back in town
The boys are back, the boys are back
The boys are back in town

Spread the word around, spread the word around
Oh, oh, oh, the boys are back in town again
Yeah, they hangin' down at Dino's
The boys are back in town again
The boys are back in town again
The boys are back in town again
