I used to know a girl...  
She had two pierced nipples and a black tattoo  
We'd drink that Mexican beer  
We'd live on Mexican food  
Yeah, I wish I could go back  
Yes, back in time

Esther used to be the kind of girl that you would  
Never leave  
She'd do anything to give me what I need for my  
Disease  
She'd do anything

I can hear them talking in the real world  
But they don't understand that I'm happy in Hell  
With my Heroin girl  
Yeah, with a Heroin girl

Esther used to be the kind of lover you would  
Never leave  
She'd do anything to give me what I need for my  
Disease  
She'd do anything

I can hear them talking in the real world  
But they don't understand that I'm losing myself  
In a white-trash hell  
Lost inside a Heroin girl  
Yeah, with a Heroin girl, yeah yeah....

They found her out in the fields  
About a mile from home  
Her face was warm from the sun  
But her body was cold  
I heard a policeman say  
Just another overdose  
...JUST ANOTHER OVERDOSE!

Esther used to be the kind of lover you would  
Never leave  
She'd do anything to give me what I need for my  
Disease

She would do anything
