It's a beautiful day, yeah
If you look up in the air, you can see the sky
It's a beautiful day, yeah
If you stare at the sun, you would burn your eyes

I do not believe in the lucky numbers
No, I do not believe in the wishing on a star
Yeah, to tell you the truth, I know there is a good
reason
For all your bad dreams

You know that it's true
People love to tell you things that will break your heart
Yeah, people love to break your heart
Yeah, people love to break your heart

I do not believe in the things I cannot see
I do not believe in the pretty the skies
Yeah, to tell you the truth
I know they want me to believe they know what's best
for me

You know it's true
Those people love to hit you when you close your eyes
People love to hurt you when you close your eyes

(You will never see it coming)
Yeah
(You will never see it coming)
Yeah

It's a beautiful day, yeah, yeah
It's a beautiful day, yeah, yeah
It's a beautiful day, yeah, yeah
It's a beautiful day, yeah, yeah

It's a beautiful day
(Look up the sky is down)
Such a beautiful day
(Look up the sky is down)

It's a beautiful day

(Look up the sky is down)
It's a beautiful day
(Look up the sky is coming down)

It's a beautiful day
(Look up the sky is coming down)
It's a beautiful day
(Look up the sky is coming down)

It's a beautiful day
(Look up the sky is coming down)
It's a beautiful day
(Look up)

You will never see it coming
You will never see it coming
You will never see it coming
You will never see it coming
