I don't want to be a loser  
No! I don't want to be an almost was  
I don't want to be a white trash  
Working class chump  
I don't want to be a loser anymore

That's why I want to be a rock star  
I want to be the king  
I want to be on top, yeah  
I just want to be a rock star  
Yeah, now I just want to be famous  
I want to be the guy  
That everybody wants

I want to be on tv shows  
And wear designer clothes  
I want a girlfriend who does not drink beer  
I want to drive a fast car  
And sleep with certain movie stars  
I want to sing the songs  
That all those little people want to hear

I just want to be a rock star  
I want to be like all those people up in first class  
I just want to be a rock star  
I want to tell the little people  
They can kiss my ass

I just want to be a rock star  
I just want to get laid  
I just want to be a rock star  
A different girl  
For every different day

That's why I want to be a rock star  
Be like all those guys on the MTV  
I just want to be a rock star  
I want to make those girls on the Real World  
Fantazise about me

I just want to be a rock star

I want to be the king  
I want to be on top, yeah  
I just want to be a rock star  
Yeah, now I just want to be famous

Everybody everywhere wants to be famous  
And everybody everywhere wishes they could tell  
Everybody everywhere to go to hell

I just want to be a rock star  
I just want to get high  
I just want to party like a rock star  
Until the day I die!

I just want to be a rock star  
Yeah, I just want to be a rock star...
