She's so high above me

She's blood, flesh and bone  
No tucks or silicone  
She's touch, smell, sight, taste and sound  
But somehow I can't believe  
That anything should happen  
I know where I belong  
And nothing's gonna happen

Chorus:

'Cause she's so high  
High above me, she's so lovely  
She's so high, like Cleopatra, Joan of Arc, or Aphrodite  
She's so high, high above me

First class and fancy free  
She's high society  
She's got the best of everything  
What could a guy like me ever really offer?  
She's perfect as she can be, why should I even bother?

(Chorus)

She calls to speak to me  
I freeze immediately  
'Cause what she says sounds so unreal  
'Cause somehow I can't believe  
That anything should happen  
I know where I belong  
And nothing's gonna happen

(Chorus)
