The only thing
That ever made sense to me
Is the words
To a song
From an American movie

The only thing
That ever made sense in
My life

Is the sound of my little girl laughing
Through the window of a summer night
I sit alone in the backyard
Wishing I could be inside
Just the sound of
My little girl laughing...

...Makes me happy
Just to be alive

It makes me happy
Just to be alive...

It makes me happy
Just to be alive...

It makes me happy
Just to be alive.
