dog barks

The only thing that ever made sense to me
Is the world that I saw from an American movie
The only thing that ever made sense in my life
Ooooh

Is the sound of my little girl laughing.
Through the window of a summer night
I sit alone in the back yard

Wishing I could be inside
Just the sound of my little girl laughing
Makes me happy just to be a live.

Ooooh

Makes me happy just to be alive.

Ooooh

Makes me happy just to be alive.

Ooooooh

Makes me happy just to be alive.
