Do you accuse me for my deeds?  
Do you think I am just a hypocrite?  
A man of contradictions I am  
If everything is possible  
Seize the day without regrets  
A man of contradictions I am  
I'm deep in your feelings - I'm breathing, breathing...  
I'm deep in your thoughts - I'm bleeding, bleeding...  
I'm deep in your body - I'm breathing, breathing...  
I'm deep in your heart - ...in you  
I won't go away  
It's the rotten kiss  
Of paradise - the scent of fear  
It's how you feel  
When you walk on thin ice  
For the first time of my life  
Devotion is a sacrilege  
A man of contradictions I am  
Though everything is possible  
We're nothing more but cynical  
"Per aspera ad astra" ...ad astra?  
It's the guilt you see  
In lovers' eyes - the hand of fate  
It's how you feel  
When you walk on thin ice  
So dine me and wine me then 69 me  
And redefine me  
Again and again and again and again and again  
As best as you can
