we are the wicked  
we are the wicked  
we are the wicked  
we are the wicked

we are the wicked that walk these city streets  
by your lighthouse, by the riverside  
we are the wicked that walk these city streets  
by your lighthouse, by the riverside

we are the ones taken for the vandals and the thieves  
these filthy streets disgust you as they keep you on  
your knees

the graffiti's just as clear as the writing on the wall.

you want it, you got it  
pray that it washes away  
you want it, you got it  
feel it through your veins  
you want it, you got it  
another dollar, another day  
you want it, you got it  
pray that it washes away

you think an open mind can be so dangerous

you want it, you got it  
pray that it washes away  
you want it, you got it  
feel it through your veins  
you want it, you got it  
another dollar, another day  
you want it, you got it  
pray that it washes away

poor hopeless sinner  
too filled with guilt to see  
thoughts are so betrayed  
pray that it washes away

poor hopeless sinner  
too filled with guilt to see  
thoughts are so betrayed  
pray that it washes away

we are the wicked that walk these city streets  
by your lighthouse, by the riverside  
we are the wicked that walk these city streets  
by your lighthouse, by the riverside  
we are the wicked that walk these city streets  
by your lighthouse, by the riverside  
we are the wicked that walk these city streets  
by your lighthouse, by the riverside  
we are the wicked that walk these city streets  
by your lighthouse, by the riverside  
we are the wicked that walk these city streets  
by your lighthouse, by the riverside
