Fragments of the past flash before my eyes Never ending streams of images colliding Silhouettes of memories slowly fading away Illusionary seductions haunts me in my dreams

Fighting for freedom But the chains I'm in won't break It will soon be too late

I am here, I am lost, I am weak and bothered Is this it? Will I grow when my soul falters? I am here, I am lost, I am weak and bothered Is this it? Will I grow? I am weak and bothered

Blinded by the fear Of being left alone I seek the truth within As the shadows are closing in

Calling oblivion Cause the state I'm in won't change And I'm fighting for freedom Cause the chains I'm in won't break

I am here, I am lost, I am weak & bothered Is this it? Will I grow when my soul falters? I am here, I am lost, I am weak & bothered Is this it? Will I grow when my soul falters? I am here, I am lost, I am weak & bothered Is this it? Will I grow when my soul falters? I am here, I am lost, I am weak & bothered Is this it? Will I grow when my soul falters? I am here, I am lost, I am weak & bothered Is this it? Will I grow when my soul falters?

I am here, I am lost, I am weak & bothered Is this it? Will I grow when my soul falters? I am here, I am lost, I am weak & bothered Is this it? Will I grow when my soul falters?
