Was it just a phase? Was it all a lie?
Your first mistake, have I been blind?
When words mean nothing, lack value and weight
All we have is nothing, what does nothing weigh

Lost my will to see it clear
Lost my sense of clarity
I'm standing in ruins and watch us fade
All just because of a lie

I told you in confidence
And trusted you'd never sacrifice our silence
I rise from the ashes
And remains of your broken promises

Don't know if you ever were
Don't know if you ever will
Be someone I could trust
There's too much doubts to kill

So was it just a phase? Was it all a lie?
My first mistake but last being blind

I told you in confidence
And trusted you'd never sacrifice our silence
I rise from the ashes
And remains of your broken promises

'Cause I would never betray
My trust and words, no never
I rise from the ashes
And remains of your broken promises

Lost my will to see it clear
Lost my sense of clarity
I'm standing in ruins and watch us fade
And all just because of a lie

I told you in confidence
And trusted you'd never sacrifice our silence
I rise from the ashes
And remains of your broken promises

'Cause I would never betray
My trust and words, no never
I rise from the ashes
And remains of your broken promises
