- father I've seen her through the window
she's been summoning spirits
she's brought a curse on us all
and for that she has to be punished
and I got these voices in my head
telling me I got to stop her
cause she speaks to the dead -

Darkness casts upon us all
Gone is the light that used to fall
Darkness casts upon us all
Dead is life buried since old

Sorrow voices
I'm being embraced by the dark black hole

Watched you your blasphemy
Your filthy soul must be cleansed by me

I'm your salvation
I'm your christ
But instead of me you'll be crucified

Father
She speaks to the dead
And I'll crave her confession
Cause she speaks to the dead

There she is
Lighting the candles
I'm watching her again
Becoming at one with the shadows
She must be punished
And I am the one
To exorcise the demons
Make sure it's done

Father
She speaks to the dead
And I'll crave her confession
Cause she speaks to the dead
