Cold is the air that I breath  
Sleepless  
But I don't mind the rain  
With fear I strive  
But still enjoying the pain  
I'm awaiting the dawn  
As I welcome the end

If you ever felt the way that I feel  
Helpless  
And help is all you need  
In tears you try  
But there is no way  
No way you can win  
Solitude Within

Cold  
But I don't mind the rain  
Fear of...

My heart is pounding  
Never so frightened  
My body's trembling  
I'm dying  
Dying

Cold  
But I don't mind the rain  
Fear of  
Being alone again

All I ever wished for  
Was a vengeance on solitude  
And all I ever longed for...  
The presence of you

Cold  
But I don't mind the rain  
Fear of  
Being alone again  
Cold  
But I don't mind the rain

Fear of  
Solitude Within
