What is this, this is Everlast
What is this, this is Everlast
What is this, this is Everlast
What is this, this is Everlast
What is this, this is Everlast
What is this, this is Everlast
Step up while I inject an overdose of intellect
An overload of my vibrations better yet a new sensation
I was lost but then he found me no corruption dissed
around me
I was taken to a higher, level of funkdivia where souls
of men were burned
They were taught but did not learn about the righteous
laws of God
Who threw the seeds over the side, takin' roots and
tryin' to grow
Though the process might be slow please stay with my
question
What is this
What is this
What is this
What is this
What is this

Not speakin' on my physical, mental or my horror
I'm speakin' on my soul for the burn would beat you
whore
There's no such thing as love of your life, it's the hands
of the God
So don't treat his ricious laws with blatant disregard
In order to follow the Lords path here is what you must
do
Do onto each of your brothers as you have done to you
This golden rule is all you need and you'll be rewarded
The man that don't will pay the price and believe me
you can't afford it
Because this is Everlast, what is this
This is Everlast
This is Everlast
This is Everlast

This is for the one-two war of over who's God is the
right one
Can it be the Asian one, the black one or could it be the
white one
The answer to the question isn't controversial
There is only one God and his love is universal
If you sit in great redemption all you need to do is ask
him
Then you will be both prepared for a life that is
Everlasting
So take heed to the word's I'm sayin', grab a good book
and get hip
To the teachings of the holy coral or the Bible's holy
scripture because this is Everlast
To the teachings of the Holy Qur'an or the Bible's holy
scripture because this is Everlast
To the teachings of the Holy Qur'an or the Bible's holy
scripture because this is Everlast
To the teachings of the Holy Qur'an or the Bible's holy
scripture because this is Everlast
To the teachings of the Holy Qur'an or the Bible's holy
scripture because this is Everlast
What is this,
What is this,
What is this,
What is this,
What is this,
What is this,
What is this,
What is this,
What is this,
Who is this,
Who is this,
What is this
What is this
What is this
What is this
