Brought into this world  
Met by open arms  
I was born as a hero  
All the tears I wept  
The tears that just kept falling  
All the dreams I dreamt  
Dies when the river's calling

Liars  
Soulless  
Lairs  
I am soulless

Another side of me  
Oh yes it's getting stronger  
Kept as a prisoners  
A darker soul can't be found

All the times I've cried  
The times when I was lonely  
Breathing for the last time  
My body dragged down slowly

Liars  
Soulless  
Lairs  
I am soulless

Why wont you leave me alone  
Wont you leave me alone  
Why wont you leave  
Why wont you leave me alone

Liars  
Soulless  
Lairs  
I am soulless
