It's been a happy day
Try not to spoil it now
Please don't get hung up that way
Oh, he's not the boy for you
And I think you know it too
Kiss him and don't start to cry

Cause you're having a pipe dream, an ordinary pipe
dream
(Now you see him flashing right before your eyes)
You're having a sweet dream, a lifelong sweet dream
(I'm the one who loves you, can't you see it's me?)
Pi-ipe dream
Pi-ipe dream
Come back to reality

[Music break]

Now, in your mind there's always me
That's the way it's gonna be
Kiss him and tell him goodbye
I say, you won't have to dream tonight
Tomorrow may be clear and bright
I think the pipe's going out

Cause you're having a pipe dream, an ordinary pipe
dream
(Now you see him flashing right before your eyes)
You're having a sweet dream, a lifelong sweet dream
(I'm the one who love's you, can't you see me?)
Pi-ipe dream
Pi-ipe dream
Come back to reality

(Hey!) Come back to reality
