makes no difference what persasion as long as you know how to get up  
on the floor and start working a sweat to a musical muasure that makes  
you ove, as soon as the needle drops into the groove so get up and  
dance to the get down giving, forget about your troubles get into the  
rythm. Talking about the rythm x10,, yo yo you know what the world  
needs? RYTHM! The rythm x10, you linger for the rap singer when  
Diamond D brings the party to the deal my presence is felt world wide,
