Feat. Carlos Santana

My heart is broke, my will is gone
Fell in love with a woman named Babylon
She hook me to the gills all of her forbidden thrills
I call her baby for short then I ramble on
She'll forget about me

My soul is high, my mind is free
Met a shorty with some back call her Destiny
She showed me all my fates, my stream of conscious
navigates
I orbit around the sun at high velocity
Don't forget about me, don't forget about
Sweet things won't you save my soul
Pretty lady, won't you take me home X2...tonight

My arms are heavy, my body's tense
Got the hot's for this honey named Confidence
She points out all of my flaws, breaking all of her
favorite laws
Never speaks a word in my defense, just forget about
me

My spirit's weak, my lust will thrive
Got a thing for this bitch said her name's a lie
She controls me with her fear, my prayers fall on her
cold deaf ear
She says have a good time and take your dive
Just forget about me, just forget about
Sweet things, won't you save my soul (yeah)
Pretty lady, won't you take me home
Sweet thing won't you save my soul (yeah)
Pretty lady won't you take me home...tonight
I've got a Babylon feelin', I've got a Babylon feelin'
I've got a Babylon feelin', I'm feelin' Babylon

My heart is broke, my will is gone
Fell in love with a woman named Babylon
She hook me to the gills, all of her forbidden thrills
I call her baby for short then I ramble on, and I ramble

on

I've got a Babylon feelin', I've got a Babylon feelin'

I've got a Babylon feelin', feelin', feelin', yeah X4
