They call me White Devil, Black Jesus  
Heaven closes, Hell freezes  
Egos trippin', scripts keep flippin'  
Bloods keep bloodin', Crips keep crippin'

Time keeps slippin' and I keep fallin'  
I can't see but I hear them callin'  
Ballers ballin', players playin'  
Haters fightin', righteous payin'

Dawn breakin', I can keep makin'  
Brooklyn keep takin'  
Shook ones keep shakin'  
No time for fakin', not me

I ain't jumpin' no bars, just risin' like cream  
And if you diggin' the scene, you feelin' the vibes  
Throw your hands in' the air  
Scream out you alive

Singin', na na na na na  
Singin', na na na na na  
Singin', na na na na na  
Singin', na na na na na

They call me Black Jesus, White Moses  
Heaven freezes, hell closes  
B-boy poses, Punk Rock chicks  
The kids are alright, but I need my fix

If you dig in' the mix, feelin' the drugs  
If you keepin' it real  
If you livin' like thugs  
I spit kisses and hugs like .45 slugs

Come back on the one and kiss my love gun  
Got a look that'll kill, voice that'll carry  
Half a dozen women that I thin'k I wanna marry  
Got trouble on my mind, I'm refusin' to lose

And still I gotta fin'd me someone to abuse  
So won't you run spread the news, help say the word

You jump the fuck back  
And just act like you heard

They call me White Devil, Black Jesus  
Heaven closes, Hell freezes  
Black Jesus, White Moses  
Heaven freezes, Hell closes

Singin', na na na na na  
Singin', na na na na na  
Singin', na na na na na  
Singin', na na na na na

Singin'  
(Waaaah-wah-wah-waaaaah)  
(Shooby-doo-waaah)  
(Waaaah-wah-wah-waaaaah)

They call me White Sinner, Black Martyr  
Livewire, Firestarter  
Jungle Brother, Redneck Cracker  
Freak Of Nature, new World Slacker

Sex junkie lookin' for a dealer  
You could play the leper, girl, and I could play the  
healer  
Shit is only gettin' realer, baby, haven't you heard  
That the Bird, Bird, Bird, yes, the Bird is the word

It go one for the troubled, two for the times  
Three for my homies and four for the dimes  
Sin'gin' lemons to the limes to the break of dawn  
Excuse me Everlast, you're on  
(Six minutes)

And it go on and on  
Like a rolling stone  
Baby, anywhere I lay my  
Hat is my home

They call me White Devil, Black Jesus  
Heaven closes, Hell freezes  
Black Jesus, White Moses  
Heaven freezes, Hell closes

Singin', na na na na na  
Singin', na na na na na  
Singin', na na na na na
