You're the air that I breathe
The sun when it breaks through the clouds
You're all that I need
But I know that you're having some doubts
I'm down on my knees
I pray you'll stick this out
Beggin' you please girl
I'm sorry I let you down

I'm broken like a promise
I'm shattered like a dream
I'm broken with all my pieces scattered 'round for you
to see
I'm broken like record
I sing the same old song
I'm broken like the heart of a man that's run away from
love too long
Girl what about you
What about you girl

It's so hard to speak
I can barely look you in the eye
It's so hard to breathe
I know I ain't afraid to die
Your breath is so sweet
Your kisses could get me high

My heart is so weak
But your loving could get me by

I'm broken like a promise
I'm shattered like a dream
I'm broken with all my pieces scattered 'round for you
to see
I'm broken like record
I sing the same old song
I'm broken like the heart of a man that's run away from
love too long
Girl what about you
What about you girl

I'm broken like a promise

I'm shattered like a dream
I'm broken with all my pieces scattered 'round for you
to see
I'm broken like record
I sing the same old song
I'm broken like the heart of a man that's run away from
love too long
Girl what about you
What about you girl
Girl what about you
What about you girl
Girl what about you
