Her skin is salty sweet, she wore sandals on her feet  
Side by side we fell asleep in her mother's bed  
She stepped inside of me, she said don't ever lie to me  
This heart of mine can be yours

Yea, that's what she said  
But I just played the role  
Broke the heart I stole  
'Cause I was young and dumb and fucked up in the  
head

Do you want to be loved for real  
Do you want to be loved for real  
Do you want to be loved  
(Yes, I wanna be loved for real)

For real  
(Do you want to be in love for real)  
(Yes, I want to be in love for real)

Now, I'm down by the river, taking off my shoes  
Jump in the water, wash away these blues  
Now out into the ocean, the current takes hold  
Words already been spoken, tales already been told

Heart's already been broken  
Wounds already been healed  
Do you wannabe loved, do you wanna  
Do you wannabe love for real

Do you want to be loved for real  
Do you want to be loved for real  
Do you want to be loved  
(Yes, I wanna be loved for real)

For real  
(Do you want to be in love for real)  
(Yes, I want to be in love for real)

Do you want to be loved for real  
Do you want to be loved for real  
Do you want to be loved

(Yes, I wanna be loved for real)

For real

(Do you want to be in love for real)

(Yes, I want to be in love for real)

Her eyes were hazel brown, she laughed the sweetest  
sound

And I just loved the way she lit up when she spoke

She help to ease my pain, she stayed through pouring  
rain

And I gave her all that she could take till she broke

She fit me like a glove

She taught me how to love

And for some ass I watched

It all go up in smoke

Do you want to be loved for real

Do you want to be loved for real

Do you want to be loved

(Yes, I wanna be loved for real)

For real

(Do you want to be in love for real)

(Yes, I want to be in love for real)

Do you want to be loved for real

Do you want to be loved for real

Do you want to be loved

(Yes, I wanna be loved for real)

For real

(Do you want to be in love for real)

(Yes, I want to be in love for real)

Do you want to be loved for real

Do you want to be loved for real

Do you want to be loved

(Yes, I wanna be loved for real)

For real

(Do you want to be in love for real)

(Yes, I want to be in love for real)

Do you want to be loved for real

Do you want to be loved for real

Do you want to be loved

(Yes, I wanna be loved for real)

For real

(Do you want to be in love for real)  
(Yes, I want to be in love for real)
