Yeah that's her  
Sometimes you win  
Sometimes you lose  
All the broken hearts  
And the unpaid dues  
What you did to me  
What I did to you  
I ain't mad at you, boo  
So what we gonna do?  
I just seen you out with your new man  
It's lookin' kind of happy  
I'm feelin' like somebody just slapped me  
My gut's in a knot  
My temp's gettin' hot  
I wanna make that man bleed  
And wear this speed knot  
'Cause he ain't got what we had  
And it makes me kind of mad  
I hurt my one true love  
Just like my dad  
And it's kinda sad  
'Cause now my shit's together  
No need for umbrellas  
I can see the stormy weather  
I'm goin' outside into the rain  
Like Keith Sweat  
'Cause I can't house this pain  
We was workin' for years  
Now I'm jerkin' these tears  
From my lips to God's ears, girl  
I did you wrong  
So I'm makin' this song  
To let you know how I feel  
Before I'm keepin' it real  
Man, keepin my heart concealed  
And now I'm on the side  
Just patiently waitin'  
Watchin' on you and the time for updatin'  
I can't hide from the truth  
I know the puddin's in the proof  
So I stand convicted like all your friends predicted  
But I'd think you'd be surprised

On how this ends brothers  
We went from lovers to friends  
We'll go from friends to lovers  
So if that man make you smile  
I guess that I'll  
Just accept it  
And respect it  
I'll hit you with this song  
And let you think about it  
Then I'll just leave you alone  
And be a man about it
