Hey now, all you sinners  
Put your lights on  
Put your lights on  
Hey now, all you lovers  
Put your lights on  
Put your lights on

Hey now, all you killers  
Put your lights on  
Put your lights on  
Hey now, all you children  
Leave your lights on  
You better leave your lights on

'Cause there's a monster  
Livin' under my bed  
Whisperin' in my ear  
And there's an angel  
With her hand on my head  
She say I got nothing to fear

There's darkness  
Livin' deep in my soul  
Still got a purpose to serve  
So let your light shine  
Deep into my hole

And God don't let me loose my nerves  
Don't let me loose my nerves  
Hey now, hey now, hey now, hey now  
U-oho, hey now  
Hey now, hey now, hey now, hey now

Hey now, all you sinners  
Put your lights on  
Put your lights on  
Hey now, all you children  
Leave your lights on  
You better leave your lights on

'Cause there's a monster  
Livin' under my bed

Whisperin' in my ear  
And there's an angel  
With her hand on my head  
She say I got nothing to fear

She say, la ilaha il allah  
You gonna shine like star  
La ilaha il allah  
You gonna shine like star

Let me fade away
