I was willing to give this baby all of my attention.
But given the circumstances i would never get one
thing.You.
I've given a thousand choices but you just take
advantage.
You show me your love and then give away all of our
chances.
I don't want this, no.

I'm done
Giving my heart up only to be given up.
I'm done
Showing you ways to love more.
How could you forget? how?
Holding on to say goodbye
I tremble and say
B b b baby, heres to us.
Ooh oo oo oo oo oo yeah

I just needed to see if everything was fine.
But I found out you, you didn't want me on your mi-ind.
Loving for you is just a game, a game,
Ga a a ame, ga a a ame.

I'm done
Giving my heart up only to be given up.
I'm done
Showing you ways to love me more.
How could you forget? how?
Holding on to say goodbye
I tremble and say
B b b baby, here's to us.

Noo oo oo yeah
No oh nooo
You couldn't decide
Who to play longer
I'm on the other side.
Without you, I'm stronger.
You couldn't decide
Who to play longer.
I'm on the other side.

Without you, I'm stronger.
You couldn't decide who play...
I'm on the other side
With out you, I'm stronger, yeah.

I'm done
Giving my heart up, only to be given up.
I'm done
Showing you ways to love me more.
How could you? How could you forget? how?
Holding on to say goodbye
I uh oh uh oh uh oh uh oh
B b b baby

I'm done
yeah yeah yeah yeah
I'm done
uh oh uh oh uh oh ohhh
Holding on to say goodbye
I tremble and say
B b b baby, here's to us.
Ohh oo oo oo oo yeah.
