Im better off  
Just pretending like i never really new you  
ive gotta stop holding hands with the memory im  
feeling  
ive gotta say somethings diffrent about the way i see  
you lately  
i feel the same  
i can see it in your eyes nothings changing  
the blame wont fall on either side  
can you feel it braking into peaces underneeth  
someones gotta say it  
it might aswell be me  
goodbye  
it wasnt rite this time  
goodbye  
I should of nown,  
there was always something that we wur missing  
im letting go to this even though its hard i no its the  
best thing

can you feel it breaking into peaces underneeth  
someones gota say it, it might aswell be me  
goodbye  
it wasnt rite this time  
goodbye  
i dont want to tell you wat i have to say!  
we dont have to be sorry it just worked out this way  
i dont want to but i have to i dont want to  
i dont want to but i have to i dont want to but i have  
to.....

Can you feel it breaking into peaces underneeth?  
someones gotta say it it might aswell be me  
goodbye  
[i dont want to say]  
goodbye  
i wasnt rite this time

goodbye it wasnt rite goodbye  
xxx
