(Intro)

Faded, hated,...

...Slippin' away as I disappear in the dark

(Verse 1)

You never take, take the time to really look

Look at the one, the one I really am

You try to fit, fit me in the perfect box

You let me slip, between the cracks

(Chorus 1)

Now I'm faded

Into someone else

Maybe someone I don't wanna be

Yeah I'm faded

My true color's gone

Like a picture nobody sees

(Verse 2)

I bet you don't, don't even know my favorite song

You tell me how, how I should wear my hair

You wanna change, everything I ever was

Try to erase me, 'til I'm not there

(Chorus 1)

Now I'm faded

Into someone else

Maybe someone I don't wanna be

Yeah I'm faded

My true color's gone

Like a picture nobody sees

(Chorus 2)

Now I'm faded

Like I never was

And I don't even know myself

Yeah I'm faded

Into what you want

But I'm not sinkin' in too well

(Bridge)

I don't wanna be your little picture perfect pretty girl

Who's got, nothing to say
I'm not gonna wait around, let you run my whole life
down
So you can watch me, fade away

(Instrumental interlude)

You try to fit, fit me in the perfect box
You let me slip, between the cracks

(Chorus 1)

Now I'm faded
Into someone else
Maybe someone I don't wanna be
Yeah I'm faded
My true color's gone
Like a picture nobody sees

(Chorus 2)

Now I'm faded
Like I never was
And I don't even know myself
Yeah I'm faded
Into what you want
But I'm not Taking' in too well

(Outro) x2

I'm faded, hated
Slippin' away as I disappear in the dark
I'm faded, hated
So far away from who I was at the start
