Where's the balance
Where's our common ground
I've been hoping lately you'll come around
Time has changed me, brought me to my knees
Taught me how to break free
No more wasting precious life

[Chorus]
Right now I've had enough
I'm on the edge of breaking down
The time has come for me to choose
there's nothing to lose
it's now or never
it's now or never

Here's your last chance

To make you something more
It could be better than it was before
You don't get it, you keep holding back
You're living in the past

I made my choice now, you decide

[Chorus]

I'm stronger when I'm down on my knees
I lift my head and sing
It's part of all these things

[Chorus x2]

it's now or never [x3]

Right now [x2]

Yeah!
