I know you feel it, like I do.  
You see this, we all do.  
It's burning like a fire taking over the night.  
yeah yeah yeah.

You don't see it, but you can't deny its there, its electric  
there's somethin in the air, ooh whoa ooh whoa.

Don't stop, don't stop believing, no no never stop  
dreaming.  
This is the fight for innocence. no yeah. Our hearts will  
love again, don't let go, don't let go.  
We are the resistance. whoa whoa whoa-whoa. Whoa-  
yeah.

We can't silence, what are we tongue-tied. We just do  
what they want and never ask why. His marionettes  
need to be untied. Yeah yeah.

We won't stop, won't stop believing, no no never stop  
dreaming. This is the fight for innocence. no whoa oOur  
hearts will love again, don't let go, don't let go. We are  
the resistance. Whoa whoa whoa-whoa.  
Our hearts will love again. Don't let go, don't let go. We  
are the resistance. whoa whoa whoa-whoa yeah.

Don't Let Go.  
Don't let go, don't let go.  
Don't let go.  
Don't let go.  
Don't let go, don't let go of our innocence.  
Of our innocence, o whoa whoa whoa whoa-whoa whoa  
no no no no yeah.

Our hearts will love again don't let go, don't let go. we  
are the resistance. o whoa, o whoa. Our hearts will love  
again don't let go, don't let go. We are the resistance  
whoa whoa whoa-whoa.
