Visit "[Set Me Free](#)" on MotoLyrics.com

Everybody has a reason A longin' A hunger to reveal
It seems like every where you turn
I was searchin' for the answer i was lying to be free

[Chorus]

You change me deep inside
I'm messing up look in my eyes
I'm searching for the promise land
Take my hand and set me free

Everytime I'm drifted
Sailing out to sea

The rock of my salvation is callin' out to me
I'm playin' for redemption
For my iniquity
I'm longing for the peace only you can give to me

[Chorus 2x]

Your love has shown me free Now I'm free
Your love has shown me free Now I'm free
I'm free your love will never die
Yeah--

[Chorus 3x]
