Love, what metal are you made of?  
You must be from some scheming star  
Love, you're wicked and heavenly  
You set me free  
Then you lock the door  
I can't go back  
and I can't go forward  
You got me wrapped around your finger  
Tie a a rope around me  
Ready, aim, and pull the trigger  
Love, you push me and say I've fallen  
It's your fault really  
If I'm a fool  
This train don't stop and it don't go nowhere  
You got me wrapped around your finger  
You wrote the song and you made me the singer

{Instrumental}

Love, tell me what metal are you made of?  
Well you must be from some scheming star
