I'm not contempt to be with you in the day time
Girl, I want to be with you all of the time

The only time I feel all right is by your side
Girl, I want to be with you all of the time
All day and all of the night
All day and all of the night
All day and all of the night

I believe that you and me last forever
Yeah, all day and night time yours
Leave me never

The only time I feel all right is by your side
Girl, I want to be with you all of the time
All day and all of the night...

I believe that you and me last forever
Yeah, all day and night time yours
Leave me never

The only time I feel all right is by your side
Girl, I want to be with you all of the time
All day and all of the night...

All day...
