(feat. Jeremih)

[Jeremih (Sighs)]

Yea

Go hard, today

[Fabolous] The past is the past you know

Can't worry the past cause that yes-sterday

[Fabolous] It's a new day bro

Ima put it on the line cause it's my time

[Fabolous] My day, gotta do it now

Hey hey hey heey

I gotta stay on my grind cause it's my time (hey),

My time (hey), my time (hey)

If your with me let me hear you say, common

Ma ma, ma ma, (dah dah dah dah dah)

If your with me let me hear you say

Ma ma, ma ma, (dah dah dah dah dah)

It's my time

[Fabolous]

Guess what time it is, my my my time

You can check your I phone, better say it's ltime

I don't even need a watch, I don't even see a clock

Soon as a I walk in, it feel like me o'clock

Give me a clock, Every time I check

Singers don't measure up, and try and blame the Pyrex

Damn, ima do it bigger than a 5-ex

Can't ride with an L, so I don't drive lex

Games so bickery, so full of trickery

Nursery, rhyming, hickory, dickory

Blowing that side, the hood call it pickory,

Biggie, puffy, busta victory

[Chorus - Jeremih]

Go hard, today

Can't worry the past, cause that yes-sterday

Ima put it on tonight cause it's my time

Hey hey hey heey

I gotta stay on my grind cause it's my time (hey),

My time (hey), my time (hey)

If your with me let me hear you say, common

Ma ma, ma ma, (dah dah dah dah dah)
If your with me let me hear you say
Ma ma, ma ma, (dah dah dah dah dah)
It's my time

[Fabolous]

My time is more like fly time
Don't call to get dressed, call it in a sky time
If you aint a pilot, you probly couldn't style it
Unless you was a stewardess, you wonder what to do
with this
First I take the time out, then I put the time in
Money aint everything, it's more about the timing
So I got the water mark, Flawless diamonds
In other words that's called perfect timing
I feel like a favour, I feel like a savour
They clock in my neck, I feel like im flavour
I go so hard, glow so god
Dance, scream

[Chorus]

[Jeremih]

Oh now I know mine, it's been a few years
Know ive seen bout time
You know ive got committed with the system up in the
zone
Sign the dotted liiine
Now is on, so ya'll better check your wrist piece
Why? Cause its time to make history
Just hop in here, bullets history
Howda, howda, howda hell you gonna evict me?
You know im here stay, never cocky now
With bottles we poppin now, no telling where we
stopping now
And I represent the chick a g o
On the track with F A B O
You know we

[Chorus]
