### "The Beautiful Lie"

The shadow of dawn  
The colour of blue  
The curtains are drawn  
To our room

And echoes of dreams  
She suddenly screams  
What does it all mean  
Whose pulling the strings

Echoes of dreams  
She suddenly screams  
What does it all mean  
Whose pulling the strings

Why'd someone die  
And the rest get left behind  
Its the tell of all truth  
Its the beautiful lie

The shadow of dawn  
The colour of blue  
The curtains are drawn  
To our room

And echoes of dreams  
She suddenly screams  
What does it all mean  
Whose pulling the strings

Echoes of dreams  
She suddenly screams  
What does it all mean  
Whose pulling the strings

Why'd someone die  
And the rest get left behind  
Its the tell of all truth  
Its the beautiful lie
