Yeah

We're interrupting transmission
Because we happen to know
There's something that you've been missing
Welcome to the show

We're all set to go
So come on, come on

What do you wanna hear first?
Bad news or the worst
We hear the words the same
So disconnect your brain

Hey boys and girls
This is truth of the world
Hey boys and girls
Your own truth of the world
Hey boys and girls
You live, truth of the world
Hey boys and girls
Just in! Truth of the world

We got the guns and the glory
It's what kills my kiss
We got the loving and stories
So get a load of this

This you cannot miss
So come on, come on, come on, come on

What do you wanna hear first?
Bad news or the worst
We hear the words the same
And need beside your pain

Hey boys and girls
You watch, truth of the world
Hey boys and girls
There's nothing like truth of the world
Hey boys and girls
Stay with truth of the world

Hey boys and girls
Read up every truth of the world

Yay!

Triple J, Triple J
Triple J makes me happy!
My mum got me Triple J
Now I'm awesome!
Oh, wee!
Let's play every day!
Triple J, Triple J, Triple J
Select your vehicle, thrills today
Dude! Go get, get, get, get, get

What do you wanna hear first?
Bad news or the worst
We hear the words the same
And keep you coming back again

Hey boys and girls
Enjoy truth of the world
Hey boys and girls
Give it up for truth of the world

We got celebrities
In the club with a real nice sleaze
Bye, bye, her bird don't sing
Don't worry, we'll just fax the queen

Hey boys and girls
(La la la la la la la la)

La la la la la la la la
La la la la la la la la
