I wake up in the morning  
To the east I man praying  
For the coming of the black king  
Who will save all mankind  
From their sins  
So people be careful no wrong doing  
Jah will take away your blessing  
So be careful mankind  
In this judgment time  
Bingi man a come, bingi man a come  
Arms up with him congo drum  
Nyah man a come, nyah man a come  
Arms up with him congo drum  
Bingi man a come, bingi man a come  
Righteousness and loving can't done  
Nyah man a come, nyah man a come  
Righteousness and loving can't done  
I put I trust in Jah for savity  
How folish of you to say  
Flee as a bird to your mountain  
Because the wicked has drawn their bow  
And armed their arrow  
They shoot at the good man in the dark  
There is nothing a good man can do  
When everything fall apart  
Bingi man a come, bingi man a come  
Arms up with him congo drum  
Nyah man a come, nyah man a come  
Arms up with him congo drum  
Bingi man a come, bingi man a come  
Arms up with him congo drum  
Jah in his holy temple  
As the throne in zion  
He watcheth for people everywhere  
And know what they're doing  
He examine the good and the wicked alike  
The heartless he hate with all his heart  
Bingi man a come, bingi man a come  
Arms up with him congo drum  
Nyah man a come, nyah man a come  
Arms up with him congo drum

Bingi man a come, bingi man a come  
Arms up with him congo drum  
Nyah man a come, nyah man a come  
Righteousness and loving can't done  
I wake up in the morning  
To the east I man praying  
For the coming of the black king  
Who will save the mankind  
From their sins  
So people be careful no wrong doing  
Jah will take away your blessing  
So be careful mankind  
In this judgment time  
Bingi man a come, bingi man a come  
Arms up with him congo drum  
Nyah man a come, nyah man a come  
Arms up with him congo drum  
Bingi man a come, bingi man a come  
Arms up with him congo drum  
Nyah man a come, nyah man a come  
Righteousness and loving can't done  
Bingi man a come, bingi man a come
