Ghetto people song only them can sing this one  
Higher, higher, higher, we steppin' higher  
Higher, higher, higher, higher, we steppin' higher

It's a ghetto people song, only them can sing this one  
It's a song for the poor who's facing sufferation  
It's a ghetto people song, only them can sing this one  
It's a song for the poor who's facing sufferation

Followers, followers of downpression  
Why do you only terrorize the poor?  
Diluting the fact they are human  
Who one day will not take it anymore, woh

Take it from your brother Everton Blender  
Now is the time for you to get stronger  
Wise up, wise up and temper your hunger

It's a ghetto people song, only them can sing this one  
It's a song for the poor who's facing sufferation  
It's a ghetto people song, only them can sing this one  
It's a song for the poor who is facing tribulation

Give a little, even a little  
Just make it trickle, know who you give to  
I'm talkin' to you Mister Fortunate one, hey yeah yeah

Do it in a hurry or you will be sorry  
Others burden we must help to carry  
Ababajani make everyone, hey yeah yeah

It's a song for the poor who's facing sufferation  
It's a ghetto people song, only them can sing this one  
It's a song for the poor who's facing sufferation

Foul smell in the air, bigger heads don't care  
Child become sick, the doctor fee too dear  
No school in the hoods, no playground like they should  
yeah yeah

A battlefield and it don't look good

Vision of peace seems out of reach  
Only Jah can end the misery, woh yeah yeah

Ghetto people song, only them can sing this one  
It's a song for the poor who's facing sufferation  
Ghetto people song, only them can sing this one  
It's a song for the poor who's facing sufferation

Ghetto people, you try to reach the top  
Whether you get the help from Mister Big or not, oh
